Just FYI – these are the handouts we are sending with Karl to provide to the attendees at his meeting with the Earth City Trustees and business partners.

Many of us will be on a conference phone at the RO during the meeting to provide backup support for Karl.

Shawn will attend in person with Karl and will open the conference line.

Ben informed me that the Fact Sheet was distributed via email to Elected Officials today per our usual protocol. It will be posted to the WL webpage on Monday afternoon.
